PHIL SCHNEIDER – PRESIDENT

As old man winter finally retreats and spring blossoms in, we are all looking forward to a warmer summer than last year. The last 2 winter snowstorms took a big bite out of the snowplowing budget. The heavy rainstorm also caused some washouts on our roads. Please try to keep the drains and swales around your home property clear.

We had some vandalism at our new beach house, 2 doors were kicked in, which busted up not only the steel doors, but the frames and door jambs. If you see any people hanging out in either parking lot after 9:00 p.m., please either call the police or the clubhouse. The repairs were costly and come out of our dues.

We are planning some road repair work early this year; but we are at the mercy of the weather, and if paving is done while there is any frost still in the ground, it will not last properly. Overall the community is shaping up, but we do need your support by coming to the General meetings. It is just a couple of hours a couple of times a year, and allows the Board to conduct necessary business.

CHARLENE VAN VUGT, RECREATION DIRECTOR

April

To celebrate Earth Day, Barry Lakes will be working in collaboration with Project Planet Network, a local environmental organization in Vernon, on a Poster Contest depicting alternate energy solutions. This is open to ages 7 - 19 and the deadline for submission is April 26th.

Project Planet Network™ "Poster Contest" is sponsored by MARCI™, a holistic and wellness magazine for the holistic community and holistic practitioners. MARCI™ is an acronym for Mindfulness, Awareness, Responsibility, Compassion and Intuition.

The art work will be an expression of the individuals concerns, fears, questions, and visions of alternate energy solutions to move us to a sustainable energy policy. For more information visit www.lucidspirit.org click on community and read about Project Planet - Upcoming Events then click on Visit the PPNetwork Poster Contest there you will find the requirements.

Posters can be dropped off at the Clubhouse during normal business hours.

Thank you and good luck to all you visionaries and environmentalists.
