SCOTT GHYSELS PRESIDENT

Greetings! The next General Meeting is scheduled for April 24. General Meetings play a vital role in the governance of LCPOA - for both legal and functional purposes - from electing new board members, presenting annual budgets, discussing actions taken by the board, hearing board reports, and announcing capital projects, to celebrating success, and more. It's an opportunity to address large-scale topics, discuss the general state of the community, and communicate with our members. The success of LCPOA depends on effective communication between board members and residents. Questions? Concerns? Just want to know what's happening in your community? Please attend the General Meeting on April 24.

In response to member requests for more transparency including live streaming of meetings for those who cannot physically attend our meetings, the Board is looking into this. Be advised LCPOA information meeting dates, events, etc. are currently posted on our website, our Facebook page Barry Lakes - LCPOA, and sent by email Please go to our website to sign up to receive emails.

Since becoming President in January, I've gotten a lot of questions about various topics, including the Vernon Township snowplowing lawsuit, etc., which I'm glad to discuss with you all at the General Meeting on April 24. But The Board does have legitimate concerns about answering some questions in writing, which can be shared outside of our private community. There are also concerns about hosting live streaming of our meetings, without certain controls being put into place. We are not a public entity like Vernon Twp., - we are a private community. Our bylaws limit membership privileges to members in good standing only. So we cannot simply live stream across the internet on YouTube, social media, or Zoom (such as

public entities can, and are open to anyone including people outside the community, and in LCPOA's case, members who are not in good standing. So the board is looking into ways to host live streaming accessibility for members in good standing only. More to come. In the meantime, please make an effort to come to the General Meeting on April 24 if you have any questions.

Unfortunately, there have been a couple of recent resignations by board members. So I have appointed Jon Tversland as interim road director, and Sue Blanchard as interim recreation director. Since Sue's husband Noah was already serving as the board secretary, in compliance with our bylaws Noah had to resign. In Noah's place I've appointed Jess Crum as interim secretary. Thanks to all for stepping up and volunteering your time - past and present! If anyone is interested in serving, please contact the office. Also, kudos to Eileen Sciscoe, Tracey Smolder, Kat DeFabrizio, and all that helped out with Cabin Fever. Below is a quick summary of recent board meeting discussions:

Bids have been put out for janitorial, landscaping, lake water testing, and road sweeping.

A financial audit of LCPOA is going well.

The Bureau of Fire Code Enforcement yearly renewal is completed.

The board voted to approve LCPOA membership to 5 Bantry Court.

Our consultant on dam engineering, inspection, and maintenance, GZA GeoEnvironmental Inc., raised concerns about some ground subsidence and seepage at the dam on the beach lake. LCPOA to address, and GZA will come back out to re-assess.

Discussions on Cabin Fever, Easter Egg Hunt, and beach clean-up. The date is still to be determined.

CAI (Community Association Institute) membership renewal approved. The Road Director will be sending out drainage bids for the Spring, followed by paving bids in Summer. Some drains need to be jetted out, while others need full replacement.

New business discussed included updating the LCPOA website (including adding Board meeting notes), replacing old PCs for the office with transferring current files and software, repairing the digital sign at the clubhouse, repairing clubhouse doors, answering member questions about lakefront property owners not in good standing accessing the lakes etc.

MARK WHITMAN LEGAL DIRECTOR

Hello members of Barry Lakes! Spring is finally upon us. All Board and General meetings have been held in accordance with our by-Laws.

FROM THE OFFICE

As you may know, we have been required to make changes to our By-Laws in order to make them compliant with the Planned Real Estate Development Full Disclosure Act, and related regulations. One of the requirements is that in the weeks leading up to the election, L.C.P.O.A. must send all members a call for nominations, a notice to those that are not in good standing about bringing their account up to date, and a notice of elections, including a ballot. Beginning this year, we will not be holding in person nominations at the Second Quarter Meeting, but all members will be given the opportunity to nominate candidates in writing. You will receive that "call for nominations" mid-summer. Please let us know if you have any questions.

Board positions that will be opening up for the 2025-2026 term are: Vice-President, Secretary,

Buildings and Grounds, and Road Directors. One Trustee position will also be open for nominations. So, if you are interested in volunteering your time on the board, please submit a nomination when we send out the Call for Nominations.

***Just a friendly reminder to please help out the community by keeping the drains in front of your property clear. THANK YOU! ***
