TRACEY SMOLDER, PRESIDENT

Hello Barry Lakes Community,

Happy New Year! We hope everyone had a safe and enjoyable holiday season.

So far, the start of the year is pretty quiet here at the clubhouse. Not much new to inform you of. We have a new Recreation Director and Roads Director that are joining the Board as of January 1st. Welcome Brianna Wagner, and Sergio Jakob!

I would like to thank all the Board members for their time that they devote to the Community. Without everyone's help, this Community could not run as smoothly and as efficiently as it does. A special thank you to George Tadiello for over 30 years of dedicated service to the community! We welcome Gabriel Grigonis has taken on the Buildings and Grounds role. On another note, I would also like to thank our dedicated office staff—Beth and Jess. Without your support the Board could not accomplish everything we strive to do. So thank you everyone.

**BRIANNA WAGNER
RECREATION DIRECTOR**

Happy New Year Barry Lakes! As of January 1, 2023 I have been appointed to be your new recreation director! I am very excited, but also a bit nervous at the same time since I really hate to disappoint. We have long list of amazing ideas we want to do, all while staying under our budget... so any help would be greatly appreciated. We can come together as a community and make this a year to remember!! A little bit about me... some of you know me from Facebook and around the neighborhood, I love meeting my neighbors and getting to know you guys so this excites me! I have been a member of the board and served as a Trustee in the past, however, this is this first time I have been the

Recreation Director and like I said before, I don't like to disappoint! So please bear with me as I get my bearings and into the groove. I have lived in Barry Lakes since 2015 and love my community here, I am an avid animal lover, rock-hound and work part time as a tour guide at Sterling Hill Mining Museum. I will be looking for help for different projects so please step up and help a gal out!! I am always open to suggestions and am very open minded, I would like there to be something for everyone, obviously while staying within our budget. You can always reach out to me through email or Facebook with any ideas, concerns, etc. I would like to get 3 sub committees started as soon as possible. One for adult activities, another for kids/family activities, and finally sports... so if you have any desire to help out with one of the subcommittees, please reach out to me as soon as possible! We are working diligently on Cabin Fever. Possibly doing a comedy night, game nights (adults and family), movie nights, bonfires at the beach, dog days at the beach, and many many more fun events! I would also like to start some fitness activities for all ages. If you cannot volunteer your time, we can also use help getting donations for different activities as well!! (I am sure I can find a way for you to help!) No idea too big or too small for us to take into consideration. If you see me out and about in the neighborhood please throw me a friendly wave! I am looking forward to Barry Lakes having a great year! I also want to give a shout out to Susan Blanchard, THANK YOU for all your help and being my right hand gal!! You can contact me at barrylakesrec@gmail.com and I will put you on my email list to keep you up to date on recreational dates. Our first team meeting will be soon which I would like to do on zoom as well in case you cannot attend in person, but want to help.

Make someone smile every day!
~Brianna

GABRIEL GRIGONIS BUILDINGS & GROUNDS DIRECTOR

Hello Folks, we are well into winter, and I hope everyone had a great holiday season. I want to thank George for all his years of service to Barry Lakes; He will be mentoring me this year, so there will be a smooth transition. With that said, I want to cover a few things,

- A few kayaks still on the racks need to be taken in. Let me know if you need assistance.
- Please use caution when stepping onto the frozen lake, as it may be thinner than you realize.
- Please be extra careful with the ice on the road when temperatures fall below 32.
- Lastly, what everyone has been waiting for ... Pickleball! It is happening, and I aim to have it up and running for spring.

Please keep your eyes on our FaceBook page and your email. For the Beach opening, Pickleball court readiness, and other extraordinary news from me. Finally, if you have any suggestions for things you would like to see, let me hear about them.
-Gabriel
