DAVID FESTA
VICE PRESIDENT

Hello BL,
Nice weather has finally begun, so PLEASE remember to slow down! Our children are outside playing and riding their bikes, so please be careful and.... Don't be that person! If you're out weed whacking your yard, please go a bit further to the edge/corner of the road. You will be helping the community immensely by doing this. It saves the community a lot of money and helps keep everyone safe while walking, driving, bicycling, etc.
Last but not least, I want to thank Jess and Arden, who are doing a terrific job in the office. They have gone above and beyond, and I have gotten a lot of compliments from the community members on how helpful they are. Thank you ladies for all your hard work!!! It doesn't go unnoticed.

Thank you, enjoy the summer and be safe!
David

SUSAN BLANCHARD
RECREATION DIRECTOR

Hello and Happy Summer!
As we gear up for a fun-filled summer, I'd like to start with a few important reminders. Please remember to bring your membership badges to all community events and whenever you use the lakes. Displaying your badge helps ensure that our facilities are being used by Barry Lakes members, as we often experience overflow visitors from Wawayanda State Park when it reaches capacity.

If you are planning to bring a large group to the lake, please notify the office well in advance so we can schedule an adequate number of lifeguards. Also, a reminder that, per our bylaws, each member may bring up to 10 guests.

Thank you for your cooperation and for helping us keep our community safe and enjoyable for everyone!!!

Now, onto the good stuff!

Here are some of the great activities coming this summer... For more info follow our Recreation Facebook Page: Barry Lakes Recreation. All programs and events will be posted there, as well as, our Barry Lakes-LCPOA page and our website Barrylakes.org

~ Summer Swim Lessons: Our beach manager, Jayson Crum, and swim instructors have put together a great swim program for the youth in our community. Swim lessons will start July 7th and will be held on Tuesdays and Thursdays in July. All participants must have completed a placement test. If you missed registration or have questions, please contact our beach manager at jaysoncrum@gmail.com.

~ Crafts on the beach: On swim lesson days, we will have a variety of crafts for kids to do while they wait for their lesson. We ask that parents/guardians monitor their child while making the craft. Crafts will be announced weekly.

~ Movies on the Beach: July 24th, and Aug 14th

SUSAN BLANCHARD RECREATION (continued)

~ Firepit Fridays: July 17th, Aug 7th, and 21st

~ Water Carnival: August TBD

~ Walking Group: Sundays at 8:30- Meet at back gate of Wawayanda.

SAVE THE DATE: LABOR DAY PICNIC will be held on Saturday, September 5th (rain date Sept 6th). Be on the lookout for volunteer opportunities with setting up and breaking down this event. Many hands are needed with this event. Especially those who can move tables and chairs to and from the club house.

If you have any recreation ideas, interest in volunteering, or leading an activity please reach out to me at barrylakesactivities@gmail.com

We look forward to a fantastic summer filled with exciting activities and making memories for a lifetime!!!

Sincerely,
Susan Blanchard, Recreation Director

FROM THE OFFICE

Bulk pick up will most likely be in September again this year. Once we have a date and all of the details finalized with Blue Diamond, expect an email to be sent with all the information!

Badges – Don't forget to pick up your badges and parking permits! You will not be allowed entrance to the beach without them!! If you would like the badges mailed, please contact the office.

Parking permits/decals must be visible on all vehicles parked in the beach parking lot.

Please do not park in the Fire Lanes or block access lane to the lakes!

Hope everyone is enjoying their summer so far! Just a reminder, the beach is open daily, with lifeguards on staff, from 12p-5p. Members **MUST** have their badges with them! *** New this Summer... our weekly Lake Water Testing results can now be found on our website, not just posted at the beach! ***

Please help keep Barry Lakes safe and beautiful! If you can please make sure you keep the brush trimmed along your property, so that the road signs remain visible to drivers. Also if you could spare any time and please help trim around any STOP signs or corners that are overgrown, any and all help is greatly appreciated, and ensures our community remains a bit safer for all members!

Please remember to clear any debris from swales that are adjacent to your property. This will help keep flooding to a minimum and ensure proper drainage.

UPCOMING EVENTS:

Our annual **LABOR DAY BBQ** is on Saturday, September 5.

See our Recreation Director's article for a list of upcoming events!

We have so much more going on...don't miss out!

Please make sure you are signed up to receive our community email blasts! You can also visit our website (barrylakes.org) and follow our Barry Lakes Recreation Facebook page, for all of our upcoming events and activities!

FROM THE OFFICE (continued)
